

Unlock your Potential ...

Glendale the "green services" division of Parkwood Holdings plc has revenues of £45 million and operates throughout the UK. Glendale's activities include grounds management, looking after parks and gardens for local authorities, landscaping, horticulture and countryside activity including forestry.

We offer clients a powerful combination of commercial and management expertise with specialist knowledge driven by energy, ideas and innovation.

Through our commitment to local communities and our investment in training and innovation, Glendale has a key role to play in improving the environment for everyone's future.

We are looking for Graduates with a keen interest in "Green Thinking", and the drive and determination to succeed in a challenging, but rewarding, environment.

We believe that our scheme offers benefits that are hard to match in any other private sector Graduate Programme. We offer the opportunity to develop skills and obtain the knowledge to prepare you to become our future managers. You'll discover excellent training, structured support and the chance to make a positive difference to the delivery of our services, throughout the duration of the scheme and in your future career.

Candidates should ideally have a degree in a land based or environmental subject, and be prepared to travel throughout the UK.

If you believe that you have what it takes to contribute to our future please apply online at <http://www.Parkwood-Holdings.co.uk/Careers/Apply.aspx>

Alternatively if you would like further information before applying please contact Sophie Mullen at Parkwood Holdings Plc, Parkwood House, Cuerden Park, Berkeley Drive, Bamber Bridge, Preston, PR5 6BY or email iwouldliketowork@parkwood-holdings.co.uk.
